Prepare your minds FOR ACTION

QUINTE

CELEBRATION
WITH WILL GRAHAM

This year we have a tremendous opportunity to reach our community with the Gospel. The Billy Graham Evangelistic Association are coming to Belleville to put on a 'Celebration of Hope' this October 4th-6th, at the CAA Arena. Emmanuel is going to be very involved. There will be many events during the lead up, and follow up, to the Celebration. These events will give us opportunity to learn how to share our faith and to be praying for those whom we will invite to the Celebration to hear the Gospel, and to disciple those who give their lives to the Lord. I want to encourage you to get involved. This is a once in a lifetime opportunity. It's an opportunity to mobilise our church for evangelism and discipleship.

The Apostle Peter said, "Prepare your minds for action... fix your hope completely on the grace to be brought to you at the revelation of Jesus Christ," 1 Peter 1:13.

As Peter said, we need to prepare our minds for action. We do that by fixing our minds on the hope and grace that has come to us through our Lord Jesus Christ.

I became a Christian because my wife, Gill, invited me to an event similar to this, though much smaller in magnitude. Gill became a Christian because a friend invited her to a Christian movie, and then talked to her about Jesus. People talking to people. People inviting people.

On **Thursday March 14th** there will be a launch event for the Celebration at Maranatha Church in Belleville. I want to encourage you to attend. You will be inspired as to what God can accomplish, and how He can use you for the kingdom of God.

There will be great bands and great music, a special event for children, called Kidsfest, and the Gospel will be preached by Will Graham. Will is Billy Graham's grandson, who has a tremendous heart for the Gospel and for Canada, which is where he started his ministry.

So put March 14th on your calendar, and look for other events that will be going on throughout the year. Let's prepare our minds for action!

A CHRIST-CENTRED RESPONSE TO HOMOSEXUALITY

With author **Bob Fife** **Wednesday February 27th, 6.30pm**

Many Christians struggle to help, come alongside, and relate to those struggling with same-sex attraction. It is important that we as Christians, can have a Christ-centred response to this very important issue of our day. Bob Fife has written a book called, "Out", in which he talks about his descent into a homosexual lifestyle, and out again. Bob has been out of his gay lifestyle for over 20 years, and likes to help Christians, and Churches, respond, in a Christ like way, to the LGBTQ community.
