

## **EMMANUEL PRAYER LIST**

### **SEPTEMBER 2025**

#### **NEW YOUTH PASTOR - NATE WRIGHT**

We welcome Nate who is now living in the County and ready to start his new ministry with our Youth.

- . We pray Nate senses the warmth of our church family and soon feels 'at home' at Emmanuel.
- . We pray for a smooth transition as Pastor Dan leaves his role as youth leader and hands it over to Nate.
- . May God direct Nate's ministry and give grace to our young people to accept this transition with excitement.

#### **Those recently baptized**

- . We give praise to the Lord for the number of people who have, through baptism, demonstrated publicly they belong to Jesus.
- . We pray for God's protection from the enemy over them.
- . We pray too, for their continued growth in Christ.
- . We pray each one of the adults will join a Small Group to learn more about Christ with others.
- . As families witnessed the baptisms, we pray for any who are not yet Christ followers. May they become seekers and want to come back to church.

#### **University, College Students**

- . As our students leave home, some for the first time, we pray for their protection. Many teachers have a different world view, and may try through different ways, to draw the kids away from their faith in Christ.
- . We pray that our kids who love the Lord, will stay close to Him and reject atheistic ideology. May they see these as opportunities to speak boldly and respectfully about their personal faith in Christ.
- . May God give them new friends who also love the Lord.
- . Let's not forget to support these kids through prayer - they are usually in an environment that is hostile to the Gospel.
